In Memory of Betty Daigre

Betty was the assistant manager at Flint Goodridge Apartments. Prior to working at Flint, Betty served as the manager of River Garden Elderly. Betty's compassion and caring for others truly inspired all. A candlelight vigil was held in the River Garden community and inspiring stories from friends, coworkers and family were shared about the selfless life Betty led. We lost a friend, coworker, and one-of-a-kind person who had been making HRI Management a better place since 2005.
