Inspired by America
There are thirty places nationwide with “liberty” in their name. Liberty, Missouri, boasts the highest population of the thirty with 26,232 residents. Eleven cities have “independence” in their name. The most populous of these is Independence, Missouri, with 113,288 residents.

Buy Local, Eat Green
Summer is the perfect season for home-grown fruits and vegetables. Eating seasonal produce grown close to home helps the products get to your table faster, meaning they’re fresher and more flavorful. Soulard Farmers Market features local goods, including produce, meat, cheeses, spices, flowers, baked goods and general merchandise.

Happy Birthday, America
Celebrate your liberty! Display the flag. Wear red, white and blue. Sing patriotic songs. However you spend Independence Day, make sure you have some fun!

A Figure of Speech
Phrase: Sleep tight.
Meaning: To sleep well.
Origin: In the days before box springs, mattresses were supported by ropes pulled tightly between the bed rails. If the ropes became slack the mattress would sag, causing a fitful night’s sleep. Tighter ropes meant better sleep.

Tips for a Fresher Loft:
Lemon-Fresh Microwave
To clean and deodorize your microwave, cut a lemon into quarters and place the pieces in a small bowl with a cup of water. Boil for five minutes. The lemon will combat odor and the steam will loosen any grime, making cleanup easy. You can also use oranges or limes!
